Boutique Sinkware

Abey Australia prides ourselves on creating high-end kitchen elements with superior functionality for the Australian market and the new Boutique Collection is no exception. Our Boutique Collection is more than just a collection of Kitchen Sinks. Boutique Sinks are multi-functional food preparation stations, cleaning and entertaining areas. Let our Boutique Collection transform your kitchen into the ultimate culinary experience.

Boutique Piazza Plus

Two drop-ledge accessory rails allow for numerous sink accessories to be utilised at once. The easy sliding top ledge allows the sink to act like a workstation as accessories can be moved from one side of the sink to the other with ease.

Fibre Rock® sink covers that cover your whole sink and allow you to reclaim your benchtop when the sink isn't in use

What is the DNA that binds together to form the Boutique Collection?

Fibre-Rock® – Unique midnight black Fibre-Rock® wood-fibre composite kitchen accessories, perfectly integrate & enhance the style and functionality of the Boutique sinkware collection.

Fully Kitted – All Boutique sinks are fully kitted out with a number of stylish, versatile and supremely functional kitchen accessories, to give you the ultimate home chef experience.

Recessed Waste – Using a specially crafted tool, Boutique sinkware have a deeper recessed waste kit so the waste kit cover sits flush with the bottom of the sink bowl.

1.2mm SS – All Boutique sinkware is crafted from extra thick 1.2mm SUS 304 stainless steel for long-lasting durability.

No Crease Lines – Unlike regular fabricated (hand-made) sinks with crease lines in the bottom of the bowl to create water fall towards the waste kit, our Boutique range has a specially formed sink bottom that allows fall without the lines, creating a smooth minimalist style.

Infinity-Edge – Enhancing the minimalist modern design, is the sleek 15mm Infinity-Edge, polished to a high-lustre gloss finish.
